

PRODUCT DATA SHEET

Version: 12.02.2015 | 10:18 h

ITEM NO. 3923

Description	Movement joint profile for screed
Specification	The PROTEKTOR movement joint profile no. 3923 for screed is used to create movement joints. The profile is especially suited for floating screed. Screed dowels with low-friction elastic polymer coating are included with the profile and enable shear force dowel fastening, as well as reducing any possible height offset in the screed.
Product Group	Concrete Profiles Concrete Profiles
Measure	60 x 95 mm
Material	Stahl, verzinkt + PE foam
Reaction to Fire	A1
Length	250 cm
Package	6 rods / bundle
